INTRODUCTION

Ridgewood House is a Residential Care Home, which opened approximately 37 years ago, with an excellent record. We provide an environment in which service users lead as normal a life as they are able, maintaining individuality and dignity.

The Home was established in 1987 to provide a continuous 24-hour care service and specialises in the care for older people. Emphasis is placed on a homely and friendly atmosphere for up to 21 service users.

Ridgewood House is registered by the Care Quality Commission and conforms to all Health and Safety and Fire Standards plus relevant Codes of Practice for the administration of medicines.

It is the policy of Ridgewood House to supply a service of consistent quality to its service users associated with their needs. This level of quality is achieved through the competence of the Home to existing and potential service users, and independent Authorities such as the Care Quality Commission (CQC)

Admissions to the Home The service user and/or relative will be involved in the process of assessment, care planning, implementation and ongoing evaluation of the service user's needs.

(A trial period of up to 1 month culminating in a review).

The CQC Inspection Report is on display at Ridgewood House for service users and visitors to read or by visiting online at: www.cqc.org.uk

Complaints Procedure: If a service user or family has a complaint, they should notify the manager. All complaints will be dealt with within 28 days. If the complaint is unresolved, they can refer the matter to: Care Quality Commission, East Midlands, Citygate, Gollowgate, Newcastle upon Tyne, NE1 4PA. Ridgewood House is a Registered Residential Care Home by this Authority, which is responsible for seeing that standards are maintained. Or, Derbyshire County Council, Social Services, Matlock, Tel: 08456 058 058

The Home provides an opportunity for service users to experience fulfilment, independence, choice, dignity and privacy.

Daily activities are displayed on the daily activities board giving everyone the opportunity to participate if they wish. There is also a yearly activities diary on display, for the larger events taking place throughout the year, giving everyone the choice of venue they wish to attend.

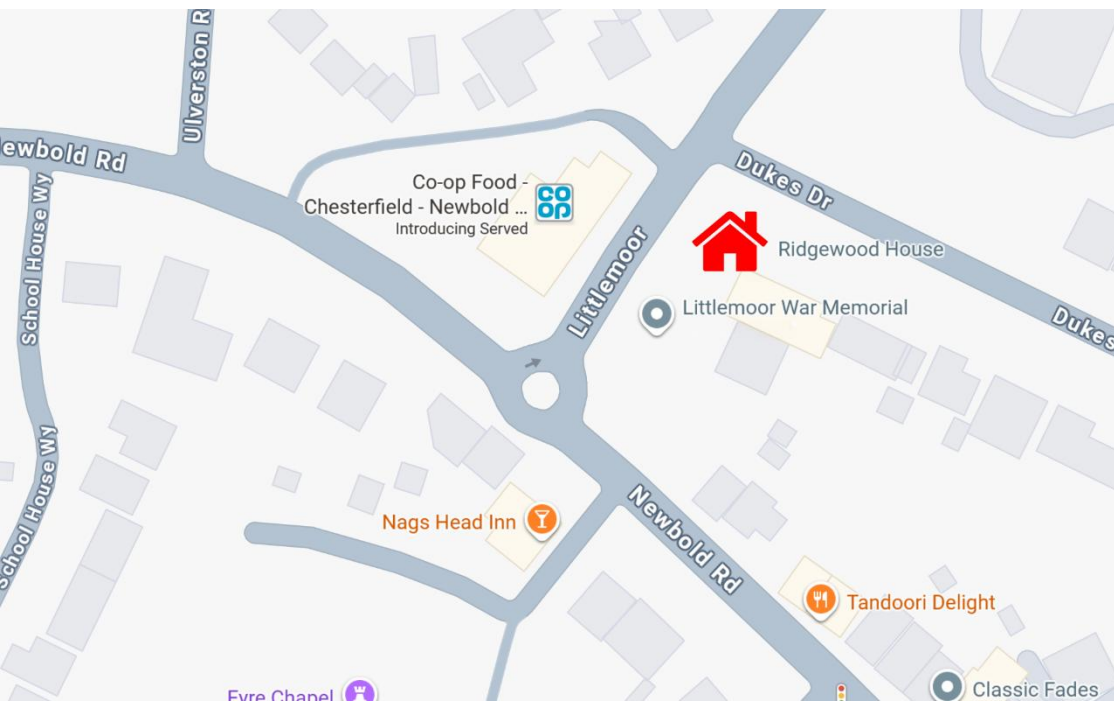

The value of confidentiality, service users' rights and their emotional and spiritual needs are well understood by all staff members.

Ridgewood House also operates a Key/Link worker system, which ensures that individual service users' needs are met.

The Manager holds regular service user meetings, where service users and/or family are welcome to attend to air their views, comments etc.

Ridgewood House has a system of internal quality assurance in place, which monitors and evaluates the quality of life, the quality of care and the quality of management.

All Staff have achieved NVQ Training Level 2, and some staff have achieved Levels 2 & 3.
